What Is God

In the Jewish Kabbalah God is called the Ain Sop and the ten worlds of the Kabbalistic tree of life form out of this force. The ten worlds are the name of "god" in the Torah:

Chronicles 29:11:

"Yours O God are the Greatness 4, the Strength 5, the Beauty 6, the Victory 7 and the Splendor 8 for All 9 in heaven in earth yours O God is the Kingdom 10."

It also lists the other three upper Sephiroth are mentioned as being god:

Proverbs 3:19,20:

With Wisdom 2, God established the earth, and with Understanding 2, He established the heavens and with His Knowledge 1, the depths were broken up."

The ten worlds on the tree are the seven chakras which the other three worlds relating to the trine parts of the brain. Uranus is the higher octave of mercury and rules the pineal gland as example.

In Hinduism the Supreme God the Brahman is stated to simply be the force the five elements exist from and the seven chakras arise from and each chakra is the manifestation of Brahman at that level of existence. The Hindu tree of life is shown as the seven chakras which manifest the 50 petals as lotus petals for each chakra. God is called Akasha in Hinduism as this is A-Ksha the first and last letter on the Sanskrit alphabet. The fifty petals that form all the charkas. This arises from the AUM which is the name of Brahman.

"On a macrocosmic level the Sarada-tilaka-Tantra (7.9-14) describes the world as a cosmic tree (body) consisting of a complex network, or 'intricate mesh', of Sanskrit letters, which are said to be the 'root vibrations' of the material creation, maintenance, and destruction of the universe."

"From God in his creative aspect arise seven chakras where all creative principles are located. So it is said: From God seven worlds [lokas that is, chakras] have come where the pranas move-

The Chakras are the subtle positions where the Supreme Being is realized in his appropriate forms. The principal positions are within the sushumna."

The Jews state right in their own Torah and Kabbalah that their "god" is themselves the Jewish People and thus soul and they stole this ideal from the east. The Jewish Rabbis know that they have

the Goyim on their knees worshipping them as "god" as the god of the Jews is the Jews themselves its right in the Torah. The will of the Jewish god of the Bible is the will of the Jews because its the Jews.

The Jews need you to believe that "god" is a Jewish man in the sky watching you who demands worship and slavery of you to its evil will. That way you will channel massive amounts of energy into the Jewish soul and servitor spell they have created and you have been conditioned to except Jewish world government and totalitarian rule as "gods" will. You will even become a conduit to build the Jewish World Government in the physical world as well. Thanks Goyim for doing all the hard work building the prison the Chosen are marching you into.
